GENERAL INFORMATION

NAME TAGS

It is essential for delegates to wear name tags while attending the congress. Congress services such as attendance of presentations, tea/coffee/lunch sessions, etc. will only be provided to those delegates wearing name tags.

INFORMATION DESK

Information desk is in the foyer of the Admin Building and will be manned throughout the congress. The desk will deal with all your enquiries and needs relating to the congress.

PUNCTUALITY

Delegates are asked to be punctual at all times. Presenters are asked to adhere to the time slots as outlined in the programme.

EQUIPMENTS FOR PRESENTERS

- For Computer Workshop or Presentations, presenters must bring their own laptops where possible.
- Data Projectors will be provided by LOC

CAPACITY OF THE VENUES

Each room can accommodate 30 delegates. Please make sure you are in by the start of each presentation.

REQUEST FOR SPONSORSHIP

We all know that Mathematics is a challenging subject and always learners are struggling as far as the subject is concerned. AMESA NW Province has therefore organised an Amesa Conference in order to assist educators with the alternative teaching strategies of the subject. **Please note that AMESA is a non-profit organization.**

In light of the above, the AMESA (NW Province) has decided to host a Conference for Mathematics educators for all schools (Grades R – 12) in the Province. This Conference is aimed at ensuring that educators are capacitated on different Mathematics topics (e.g, Probability, Geometry, Space & Shapes, etc) to accumulate enough Mathematics Content Knowledge. A total of 200 Mathematics educators are anticipated.

Congresses are very costly. However, to ensure that the congress experience is of a high quality and is accessible to more teachers, we very much depend on appropriate sponsorships. You are therefore requested to: (1) advertise, exhibit, market, sell, ---- your products and brand at the 2013 AMESA North West Regional Congress, (2) sponsor a congress service by investing in improving mathematics education in our province whilst also promoting your company. There are several opportunities to suit your needs and budget (see the attached Sponsorship Application Form).

The logistical arrangements of the Conference are as follows:

Venue : **Reebone Secondary School**
Date : **Saturday (11 May 2013)**
Time : **07h00**
Participants : **200 Mathematics & Maths Lit educators**

Your positive response will be highly appreciated.

Thanking you in anticipation

Mr A.E. Thavhanyedza
NW AMESA Congress Director
