

ST STITHIANS
COLLEGE

Are you interested in a career as a teacher of Mathematics/Physical Science/Early Childhood Development?

Thandulwazi Intern-Teacher Training Programme

The Thandulwazi Intern-Teacher Training Programme, part of the St Stithians Foundation educational outreach programme, is offering prospective teachers the opportunity to study towards a part-time 4-year Bachelor of Education (BEd) or 2-year Post Graduate Certificate in Education (PGCE), through UNISA, while gaining workplace experience at St Stithians College. These positions will be appointed from January 2013.

Preference will be given to aspiring teachers who are:

- Passionate about exploring a career in teaching Mathematics, Physical Science or Early Childhood Development/ Foundation Phase.
- Students already registered in one of the above courses with UNISA or a Johannesburg-based university.
- Grade 12 learners eager to explore a career in teaching who display strong academic results especially in Maths and/or Science.
- South African citizens residing in Johannesburg.
- From previously disadvantaged groups and/ or students in need of financial assistance (Students who wish to gain on-the-job experience, but who don't need financial assistance may also apply.)

Benefits you will receive:

- Mentoring by an experienced educator.
- Valuable professional training and workplace experience within an IEB school environment.

In addition, you may qualify for one or more of the following benefits, depending on your financial needs analysis:

- Payment of tuition fees and a textbook allowance.
- Stationery allowance.
- A monthly stipend.

If you would like to apply for this wonderful opportunity, please forward the following documents to the e-mail address/ fax number below: • Curriculum vitae together with at least two references and their contact details • One page letter of motivation as to why you should be granted this opportunity • Certified copy of your I.D. document • University students/Graduates: a certified copy of your final Grade 12 results and latest University results as well as a clearance certificate to prove that fees are up to date • Grade 12 students: a certified copy of your first term and mid-year 2012 reports.

Please e-mail your CV, quoting Ref. No. STS16400, to cv@theworkingearth.com or fax to 0866 963 074. Closing date for applications: 23 July 2012.
